

**TPC ACH Services**  
**Pay Your Vendors Electronically**

**We offer a complete solution to enroll and pay your vendors electronically**

**Why Pay with ACH:**

- Take advantage of cash discounts
- Reduced check printing and postage expenses
- Eliminate check fraud

**Electronic Enrollment**

- We research and send an email invitation to each vendor that accepts ACH
- Vendors register electronically with our network, eliminating paper forms
- Vendors are more likely to register for ACH if they can provide bank account information directly and securely

**Email Payment Notification**

- Every time you issue a payment, your vendor receives remittance details via email
- Eliminate the need for your vendor to purchase services from their bank
- Reduce calls to your AP department questioning when a payment is made

**TPC can get you started with ACH right away:**

- Import vendors from your accounting software
- Enroll vendors electronically with email notification
- Load payment instructions using the interface to your accounting software

**No software or technical expertise required**  
**Deposit money directly into the vendors account**
